

The Federal Communications Commission
445 12th Street, SW
Washington, DC 20554

Dear The Federal Communications Commission,

LEAVE THIS ALONE!! I have a prepaid cell phone and it is the ONLY way I can afford one!! I only use it occasionally, it is NOT used on a daily basis. I cannot afford anymore fees, taxes etc. for this phone. Stop punishing lower and middle class people!!! Thank you, Heidi Ellis.

Sincerely,

Heidi Ellis
